Present, Councillors:
T Baker (TB), J Galego (JG), A Guyatt (AG), J Hines (JH), A Keeling (AK), D King (DK), M Noble (MN), I Milne (IM), D Pack (DP)

In attendance:
Chichester District Councillor F Hobbs (FH) from 8.15pm West Sussex County Councillor D Bradford (DB) from 8.40pm, Parish Clerk S Hurr (SH)

1 Election of Chairman
MN standing – proposed by AG, seconded by TB, received eight votes and was duly elected as Chairman for 2018/19.

MN signed a Declaration of Acceptance of Office which was witnessed and signed by the Clerk as the Proper Officer of the Parish Council.

2 Appointment of Vice-Chairman
DK standing – proposed by AG, seconded by IM, received eight votes and was duly elected as Vice-Chairman for 2018/19.

DK signed a Declaration of Acceptance of Office which was witnessed and signed by the Clerk as the Proper Officer of the Parish Council.

3 Apologies and reasons for absence from members: None, all present.

4 Visitors questions: No members of the public were present.

5 Chairman’s Report: MN reported that the Parish Council would be taking a stand at the School Fete on 30th June 2018, and similarly at the Church Fete on 18th August 2018 and requested that Councillors record this in their diaries. MN reminded all Councillors that we will be meeting with Midhurst Town Council (MTC) at the Old Library on 30th May 2018 and SH explained that she will be meeting with the MTC Clerks to plan the meeting.

Action: SH to meet with MTC Clerks to discuss format and content of meeting on 30th May 2018

MN confirmed the Silent Soldier had arrived. This will be installed in the Churchyard by TB and DP.

Action: TB and DP to install Silent Soldier.

MN explained that a few people had made an approach to become potential councillors. An Enquiry Log has been created to record all enquiries received by the Parish Council. MN, JH, and AK will shortly be attending a meeting with an officer at South Downs National Park Association to discuss the Village Plan/Design Statement.

MN confirmed he will attend a surgery organised by David Hyland an officer from Chichester District Council (CDC) to discuss applying for a New Homes Bonus (NHB). MN suggested that the Parish Council could consider submitting an application for adult equipment for the field and mature trees. DK asked about using current NHB funds for Vehicle Activated Signs (VAS) as original planned? MN responded that as we currently have two VAS, that may be sufficient at the current time.

MN explained the Communications and Volunteering Committee had planned that the Annual Village Meeting is focused on providing the opportunity for residents to ask questions, and therefore MN will just be providing a short explanation of the Parish Council’s achievements over the last twelve months and plans for the next year to begin the meeting. Subject specific tables will placed around the room to encourage people to speak to individual Councillors on these subjects.

MN noted the Velo South cycling event will take place on 23rd September 2018. The planned route will completely encircle the parish. MN suggested that it may be useful for one Councillor to obtain all necessary information regarding this matter.

Action: IM will gather all necessary information regarding Velo South.

6 To appoint Members to serve on the following committees/working parties:
   a) Communications and Volunteering: MN, IM, JH, TB, DK
   b) Staffing: To be decided
   b) Emergencies and Winter Planning: JG
c) Finance and Grants Committee: DK, JG, JH, and AK will also join this committee
d) Footpaths: AK and TB
e) Highways: MN, JG, JH
f) Planning Committee: AK, JH, DK, DP, TB and King Edward VII Liaison: DP and AG
g) Wheelbarrow Castle Field/Playground: IM, MN, TB, AK, DK, JG, DP

7 Declarations of interests in any matters on agenda: None

8 Confirmation of minutes of meeting held 14th March 2018 and review of actions: There are currently two outstanding ‘Actions’, one regarding the issue with the over-flowing culvert in Easebourne Street.

Action: DB will be asked if progress has been made on this matter by SH.

The second action was regarding whether Easebourne Street should have a defibrillator.

Action: IM will apply for Big Lottery funding for a defibrillator.

Confirmation of minutes of meeting held on 14th March 2018: proposed by MN, seconded by JG agreed by all present, approved and signed.

9 Reports from the Committees and Working Parties: MN requested that only questions on the reports circulated prior to the meeting were asked.

   a) Communications and Volunteering
      DK asked about the progress with Hooli Boost? TB confirmed that he and JH will attend a meeting tomorrow (10/5/18) with this company to discuss the design support they are able to provide as part of their allocated free service to the community.
   b) Staffing
   c) Emergencies and Winter Planning
      JG confirmed that the salt bin in Henley would not require replacement. A discussion took place regarding the ‘in-action’ by the County Council with clearing snow on Kings Drive in the recent winter weather. It was agreed that a question on this matter would be asked at the next King Edward VII Liaison meeting.

Action: DP and AG to ask about plans for clearing snow in the future on King Edwards Drive.

d) Finance and Grants
   It was noted that grass-cutting contract had come to an end, although cutting had taken place in April and an invoice received. This will be discussed at a later agenda item. As the Finance meeting on 2/5/18 was inquorate, five items had been brought to full Parish Council for consideration and agreement:
   Request for Funding forms – for ground works in the field, repair and copy of broken stone plaque, and acquiring ‘cloud’ technology for information retention/sharing. These three requests were all agreed.

   Actions: IM to communicate decision to the ground works company/Quantity Surveyor, SH and TB to progress repair and copy of stone plaque, and DK to organise ‘cloud’ technology.

   District Councillor Report: Agenda halted to allow District Councillor FH to provide report: FH explained MP Gillian Keegan had met with Jonathan Russell at Cowdray Estate, that he was pleased to see all traffic calming measures in place within the village, and that the Velo South event would take place on 23rd September 2018. FB further explained that he had spoken to manager as the new Marks & Spencer shop sited at Gillhams Garage which was reported as being well-used and that with potential Chichester District Council funding available there may be an opportunity for the local village shop to redefine what it is able to offer.

Action: Mike and Ian to meet to discuss the village shop.

   FH left the meeting at 8.35

Two policies considered for adoption: Purchase Order Process Policy, proposed by DK, seconded by JH and adoption agreed by all. Request for Funding Process Policy, proposed by DK, seconded by IM and adoption agreed by all.

e) Footpaths
f) Highways
f) Planning Committee and King Edward VII update
DK asked if we could pursue the request made by the Parish Council Planning Committee when providing Consultee comments to the planning application for the King Edwards VII swimming pool, for it to be available for school children? As the pool is quite small and too deep, it was considered that this would not be appropriate. DK also asked what the plans were with regards to water supply at the King Edward VII estate? A Fire and Rescue Service report had been cited at the liaison meeting and it was agreed that a request should be made for a copy of this report.

**Action:** DP and AG to request a copy of the Fire and Rescue Service report

**County Councillor Report:** Agenda halted to allow County Councillor DB to provide report: DB expressed concern about the Velo South event, there is nothing further to report at this time with regards to the local school, and the next County Local Committee meeting will take at 7.00pm on 19th June 2018 at Elsted Village Hall, Midhurst, GU29 0JY and which provides an opportunity to raise concerns about local issue with West Sussex County Council. DB also expressed concern regarding the potential cost of the new General Data Protection Regulations for parishes.

DK asked if there was any progress regarding the culvert in Easebourne Street which overflows in wet weather? DB confirmed that Highways Officer Chris Dyer is currently considering this issue and full answer will be forthcoming.

*DB left the meeting at 8.55*

**Wheelbarrow Castle Field/Playground**

IM explained that the current top name for the field is ‘Easebourne Park’, and that a Communications Plan is being progressed. IM also explained that there would be a photograph in the Midhurst & Petworth Observer of a cheque being handed over by the Midhurst Freemasons as a donation to the field.

**Finance:**

Business Account: £71,327.94

e) Approval of accounts for year ended 31/3/2018 and Annual Governance and Accountability Return (AGAR): all Councillors agreed the governance statement and that the Chairman and Clerk should sign the annual return. Annual Return duly approved and signed. Clerk will display the electors right to inspect form as per the regulations and will also forward the annual return to the external auditor.

Action: SH to display elector rights and forward Annual Return to External Auditor.

DK explained that although he concurred with the final figure as confirmed by the Internal Auditor regarding the AGAR, he was unsure of the method used for arriving at that figure.

It is not in keeping with the village characteristics of Easebourne as a village within the South Downs National Park. The multiple signs proposed will create a cluttered and untidy appearance. Bus Shelter Condition Report: DP had provided a printed condition report prior to the meeting, and confirmed his greatest concern was with the shelter at the end of Kings Drive and the shelter near Conifers School. AG also stated he felt that bus shelters should also have seats.

Action: DP and AG to ask at the next King Edward VII Liaison meeting if funds could be provided for the bus shelter at the end of Kings Drive?

All Parishes Meeting Update: The slides of the meeting had been circulated prior to the Parish Council meeting. JG attended the meeting which covered the ‘Litter Campaign’ which encouraged people to adopt an area and also included the proposed use of smart/intelligent bins which use technology to inform CDC when they were full and required emptying. JG also explained CDC officer Nick Bennett had given a presentation about General Date Protection Regulations. JG suggested that we should also hold a training log for both Councillors and the Clerk.

Action: SH to create a training log.

JG also explained that there had been a presentation about Child Sexual Exploitation and the need to be aware of this issue.

Grass-Cutting Contract: SH confirmed the new 2018/19 grass-cutting contract had been signed by Greenscape Services Ltd and it was agreed that IM would be the liaison person with the company during the course of the Community Space and Playground installation as this will significantly impact on the opportunities to cut the grass.

Action: IM to liaise with the grass-cutting contractor
