

# Local Councils, Internal Drainage Boards and other Smaller Authorities in England

## Annual return for the year ended 31 March 2017

---

Every smaller authority in England with an annual turnover of £6.5 million or less must complete an annual return at the end of each financial year in accordance with proper practices summarising its activities. In this annual return the term 'smaller authority'\* includes a Parish Meeting, a Parish Council, a Town Council and an Internal Drainage Board.

**The annual return on pages 2 to 4 is made up of three sections:**

- Sections 1 and 2 are completed by the smaller authority. **Smaller authorities must approve Section 1 before Section 2.**
- Section 3 is completed by the external auditor.

In addition, the **internal audit report** is completed by the smaller authority's internal audit provider.

**Each smaller authority must approve Section 1 and Section 2 in order and in accordance with the requirements of the Accounts and Audit Regulations 2015.**

### Completing your annual return

Guidance notes, including a completion checklist, are provided on page 6 and at relevant points in the annual return.

Complete all highlighted sections. Do not leave any highlighted box blank. Incomplete or incorrect returns require additional external auditor work and may incur additional costs.

Send the annual return, together with the bank reconciliation as at 31 March 2017, an explanation of any significant year on year variances in the accounting statements, **your notification of the commencement date of the period for the exercise of public rights** and any additional information requested, to your external auditor by the due date.

**Your external auditor will ask for any additional documents needed for their work. Unless requested, do not send any original financial records to the external auditor.**

Once the external auditor has completed their work, certified annual returns will be returned to the smaller authority for publication and public display of Sections 1, 2 and 3. You must publish and display the annual return, including the external auditor's report, by 30 September 2017.

It should not be necessary for you to contact the external auditor for guidance.

More guidance on completing this annual return is available in the Practitioners' Guide that can be downloaded from [www.nalc.gov.uk](http://www.nalc.gov.uk) or from [www.slcc.co.uk](http://www.slcc.co.uk) or from [www.ada.org.uk](http://www.ada.org.uk)

## INTRODUCTION

An internal audit of the Parish Council's financial records for the year 2016/2017 has recently been completed. The audit included all financial transactions for the period 1 April 2016 to 31 March 2017 inclusive.

The audit was undertaken in compliance with the requirements of the Accounts and Audit (England) Regulations 2015, and in accordance with the agreed and accepted Audit Plan.

Regulation 3 of the Accounts and Audit (England) Regulations states that the Parish Council must ensure that it has a sound system of internal control which—

- (a) facilitates the effective exercise of its functions and the achievement of its aims and objectives;
- (b) ensures that the financial and operational management of the authority is effective; and
- (c) includes effective arrangements for the management of risk

Regulation 5 of the Accounts and Audit (England) Regulations states that the Parish Council must undertake an effective internal audit to evaluate the effectiveness of its risk management, control and governance processes, and any officer or member of the Parish Council, if required to do so for the purposes of the internal audit shall -

- (a) make available such documents and records; and
- (b) supply such information and explanations;

The objective of the internal audit is to determine whether the accounting arrangements, procedural controls, records, and documentary evidence are adequate to ensure the accurate and timely recording of financial transactions, so as to comply with all relevant legislation and best practice.

## SCOPE

The audit included examination of the income and expenditure account, balance sheet and annual return for the period, review of bank statements and cheque book stubs, review of supplier invoices and claims for reimbursement, review of receipts, review of agendas and minutes of meetings, review of budgets, review of fixed asset register and insurance policy, and confirmation that bank reconciliations and reports are prepared regularly and reviewed at regular meetings of the Parish Council.

## FINDINGS

- 1) Points raised in the prior year's internal audit report had been addressed and resolved
- 2) Monies paid and received during the year have been accurately recorded and reconciled to the bank and cash balances.

- 3) VAT had been correctly recorded and reclaimed from HMRC
- 4) The accounts required some adjustments to prepare them consistently in comparison to prior years on the accruals basis. After correcting the errors, the accounts now agree to the bank reconciliations and annual return
- 5) Assets should be recorded on the fixed asset register as £13,239 - last year's cost less the playground and sports equipment (excluding the bin and benches which have been retained) and adding in the village gateways
- 6) I reviewed the Council website to ensure that the Local Government Transparency Code 2015 had been correctly implemented and adhered to.

#### **SUMMARY AND OPINION**

One of the functions of internal audit is to give assurance to members of the council that the financial systems are operating correctly, and can be relied upon.

In connection with my examination, and having regard to the items reported herewith, no matter has come to my attention that gives me reasonable cause to believe in any material respect that the regulatory requirements have not been complied with.

The accounting arrangements, procedural controls, records and documentary evidence are considered to be satisfactory, and, following amendment, accurately record the Council's financial position.
