<p>The Parish Council has no objection in principle to this planning application, although was disappointed that the drawings submitted were difficult to interpret.</p>	<p>SDNP/20/01183/CND</p>	<p>Lowerfield House, Easebourne Street, Easebourne</p>	<p>Erection of detached double garage, plant store and studio above. (Variation of condition 1 and 3 from planning permission SDNP/14/02084/FUL – Garage deck enlarged to 3500mm x 4000mm and materials changed from timber to steel frame and composite decking).</p>	<p>A Keeling (Chairman): No objection Comment: Drawings lacked some detail, presume there are no windows in the roof, just large double doors at the end? If windows are in roof they need to adhere to dark skies policy</p>
				<p>D Pack: No objection</p>
				<p>C Cantlon: I have no issues with the planning application requesting an extension to the size of the veranda.</p>

<p>The Parish Council has no objection in principle to this planning application.</p>	<p>SDNP/20/01195/LDE</p>	<p>The Annexe at Verdley Hill House, Henley, Easebourne</p>	<p>Existing lawful development certificate for use of as ancillary habitable accommodation</p>	<p>A Keeling (Chairman): No objection</p>
				<p>D Pack: No objection</p>
				<p>C Cantlon: Given the intention for use of the annexe is as ancillary habitable accommodation (ie it cannot be let out) then I have no issue with the application for the lawful development certificate.</p>
				<p>M Noble: No objection</p>
				<p>C Sanderson: If the use of the building for habitable accommodation does not constitute development for the purposes of Sect 55 of the Town and Country Planning Act 1990 and therefore no planning permission was required, I can see no objection to the application.</p>
				<p>T Baker: No objection</p>
