<p>the Parish Council also supports the recommendation to install a bird box. The Parish Council also further supports the recommendation to undertake bat emergence surveys, and also in relation to bats, that only minimum external lighting should be installed and utilised.</p>				<p>adherence to dark skies policy in respect of lighting from orangery and second floor extension. I also note the comments in respect of protecting bats and birds.</p> <p>M Noble: No major issue, I suppose we should make the point that the velux should comply with Dark Skies or preferably just be removed.. It wouldn't appear to add a great deal when the room as a large dormer window.</p> <p>C Sanderson: There is very little guidance about whether proposed changes to the previous planning application are acceptable to planning officers. In general the revised application seems to suggest previous objections were incorrect and I am unconvinced that such was the case.</p> <p>T Baker:</p>
